solarwa.org

Solar Washington is a chapter of the American Solar Energy Society (ASES) and a registered 501(c)3 non-profit organization. Our mission is to further the development of renewable energy and related arts, sciences, and technologies with concern for the economic, environmental, and social fabric of Washington.

You can join online at solarwa.org/membership. You may also join ASES or it's International parent ISES online at ases.org

All levels of support receive email updates about solar activities, and our email newsletter.
